NOTES TO TRANSFER OF MPF ACCRUED BENEFITS (BENEFITS) OF TAX DEDUCTIBLE VOLUNTARY CONTRIBUTIONS

Sections 149A and 149B of the Mandatory Provident Fund Schemes (General) Regulation (Cap 485A)

Please read the following **important notes** before completing this Form.

(1) **Definition of terms:**

- (a) “Tax Deductible Voluntary Contributions” (TVC) – refer to contributions that are paid into a TVC account under section 11A of the Mandatory Provident Fund Schemes Ordinance (the Ordinance).
- (b) “TVC account” - an account in an MPF registered scheme (scheme) opened by a person under section 11A of the Ordinance and into which TVC are paid and in which the member’s benefits derived from those TVC and the TVC transferred to the account from another TVC account are held.
- (c) “Original Scheme” – the scheme from which your benefits are to be transferred.
- (d) “New Scheme” – the scheme to which your benefits are to be transferred.

- (2) A TVC account holder may make an election to transfer ALL (and not part of) benefits in the TVC account in the Original Scheme to the TVC account in the New Scheme. Benefits held in a TVC account cannot be transferred to a contribution account or personal account.
- (3) If you wish to transfer benefits from more than one TVC account, you should submit a separate Form MPF(S)-P(T) for each of those accounts.
- (4) After your benefits held in the TVC account are transferred from the Original Scheme, your TVC account in the Original Scheme will be terminated.

Reminders before making an election to transfer

- (5) Before you decide to transfer your benefits to another scheme, you should take into consideration all relevant factors, including your personal needs and the following factors:
 - (a) services of the trustees (e.g. frequency of issuance of benefit statement to scheme members; number of free fund switchings per year);
 - (b) fees and charges of the funds (for detailed information, please refer to the website of the Mandatory Provident Fund Schemes Authority (MPFA));
 - (c) the range of fund choices offered by the schemes and in particular whether there are funds available that match what you need; and
 - (d) if you are currently investing in an MPF guaranteed fund, a transfer of the benefits out of that guaranteed fund may result in some or all of the guarantee conditions not being satisfied; thus affecting your entitlement to the guarantee. Please check the offering document of the Original Scheme or consult the trustee of the Original Scheme for details.
- (6) Before deciding to transfer benefits to the New Scheme, you should try to understand as much as you can about the New Scheme. Please read the offering document of the New Scheme, which can be found on the website of the MPFA, website of the trustee of the New Scheme or contact the trustee of the New Scheme.
- (7) Please ensure that you have a TVC account in the New Scheme. Otherwise, you have to submit a membership enrolment form before or at the same time you submit this Form to the trustee of the New Scheme. Please consult your trustee of the New Scheme for the procedures and required documents for setting up a TVC account.
- (8) If you wish to transfer your benefits from a scheme to another, please be aware of how the transferred-in benefits will be invested. In general, the transferred-in benefits will be invested according to the default investment strategy (DIS) if you either (a) do not give or have not given any investment instructions for the account to the trustee of the New Scheme or (b) have given investment instructions for the account to invest benefits according to the DIS. Please approach the trustee of the New Scheme to seek clarification, where necessary. If you wish to change or specify an investment instruction for the account in the New Scheme, please also approach the trustee of the New Scheme.

- (9) *If you have reached, or are approaching, the age of 50 and your benefits are currently invested according to the DIS of the scheme, you should be aware that the de-risking mechanism of the DIS starts at the age of 50. If the annual de-risking of your investment in the DIS and your transfer request take place at around the same time, the trustee of the scheme shall sequence the de-risking and the transfer request in accordance with its procedures and in compliance with the Ordinance. Please consult the relevant trustee(s) if you wish to know the details of how the trustee(s) will handle these transactions.*
- (10) *In order to prevent a third party from filling in incorrect information, please **DO NOT sign on a blank form**. After the completed election form has been received by the trustee of the New Scheme, the administration procedures taken by the trustees may not be reversible.*
- (11) *The number of fund units shown in your current TVC account on the date you elect to transfer may be different from that as of the date on which the fund units are redeemed. The trustee of the Original Scheme will redeem all the fund units from your TVC account that you elect to transfer out on the date of redemption and transfer out the redeemed benefits. The trustee of the New Scheme will subscribe fund units in accordance with your instructions. There will be a time-lag of about one to two weeks, during which your benefits will not be invested in any fund. During this period, fund prices may change due to market fluctuations, and there is a risk of “selling low, buying high”.*
- (12) *Please refer to the MPFA’s website (www.mpfa.org.hk) for the factors to consider when choosing a scheme and the potential risks involved in MPF investment.*

- (13) *Information about a scheme is set out in the offering document of the scheme.
