14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ The above-named issuer was completely liquidated on December 17, 2024, wherein all of the shares of the Fund were redeemed in exchange for liquidating distribution(s) pursuant to a plan of liquidation and termination.

The shareholder's gain or loss will generally be measured as the difference between gross proceeds received in the liquidating distributions and the tax basis in these shares.
