

Form 1099-DIV for the calendar year will report distributions for US federal income tax purposes. The Fund's annual report to shareholders will include information regarding the tax character of Fund distributions for the fiscal year. This Notice is sent to comply with certain US Securities and Exchange Commission requirements. The amounts and sources of the following distribution are estimates and as noted above are not being provided for tax reporting purposes. The final determination of the source and tax characteristics of all distributions in 2025 will be made after the end of the year.

During the month of February 2025, the Fund declared a distribution, which was payable to shareholders on February 28, 2025. This distribution, determined in accordance with generally accepted accounting principles, is estimated to be from the following sources:

| Ticker | Cusip | Fund Name | Net Investment Income | Gain From Sale of Securities | Return of Principal | Net Unrealized Depreciation |

There are risks involved with investing in ETFs, including possible loss of money. Index-based ETFs are not actively managed. Actively managed ETFs do not necessarily seek to replicate the performance of a specified index. Both index-based and actively managed ETFs are subject to risks similar to stocks, including those related to short selling and margin maintenance. Ordinary brokerage commissions apply. The Fund's are subject to certain other risks. Please see the current prospectus for more information regarding the risk associated with an investment in the Funds.

This does not constitute a recommendation of any investment strategy or product for a particular investor. Investors should consult a financial professional before making any investment decisions.

Before investing, consider the Fund's investment objectives, risks, charges and expenses. Visit [invesco.com](https://www.invesco.com) for a prospectus containing this information. Read it carefully before investing.
