
Justin Leverenz, CFA®

Team Leader and Senior Portfolio Manager

Justin Leverenz, CFA®

Justin Leverenz is a Team Leader and Senior Portfolio Manager for the Emerging Markets Equity team at Invesco.

Mr. Leverenz joined Invesco when the firm combined with OppenheimerFunds in 2019. He joined OppenheimerFunds in 2004 as a senior research analyst. Prior to joining OppenheimerFunds, Mr. Leverenz was the director of Pan-Asian technology research for Goldman Sachs in Asia, where he covered technology companies throughout the region. He also served as head of equity research in Taiwan for Barclays de Zoete Wedd (now Credit Suisse) and as a portfolio manager for Martin Currie Investment Managers in Scotland. He is fluent in Mandarin Chinese and worked for over 10 years in the greater China region.

Mr. Leverenz earned a BA degree in Chinese studies and political economy and an MA in international economics from the University of California. He is a Chartered Financial Analyst® (CFA) charterholder.
