Invesco

Biography

Brian Watson, CFA®

Managing Director
Senior Portfolio Manager

Brian Watson, CFA®

Brian Watson is a Managing Director and Senior Portfolio Manager for the energy infrastructure strategies for Invesco's Listed Real Assets team.

Mr. Watson joined Invesco when the firm combined with OppenheimerFunds in 2019. At OppenheimerFunds, he was a director of research and portfolio manager for the SteelPath strategies. Prior to that, Mr. Watson was a portfolio manager and led the MLP research effort at Swank Capital LLC in Dallas, Texas. He also covered the MLP and diversified energy sectors for RBC Capital Markets in the firm's equity research division. Before that, Mr. Watson worked for Prudential Capital Group, helping to analyze, structure, and invest in private debt placements issued primarily by companies in the energy industry, including those involved in oilfield services, midstream services, and oil and gas exploration and production.

Mr. Watson earned a BBA degree from the University of Texas at Austin and an MBA from the McCombs School of Business at the University of Texas at Austin. He is a Chartered Financial Analyst® (CFA) charterholder.
